TAP DANCING

* A professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes “primary employment” and therefore is not seen as a Professional. For the Student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way only of an occasional bonus or benefit rather than their principal means of earning a livelihood. The exception to this is a participating teacher who may perform.

** As some Societies split their dance genres and run large Competitions with different Judges and/or at different times of the year, they will be able to nominate more than one group to represent their Society.

** If a Society has 30 or more entries in the Troupe/Group Nomination section, then they are entitled to offer a second Nomination.

The adjudicator will determine that the Troupe/Group has displayed a sufficient standard of performance to competently represent that society at the National Troupe/Group Finals.

The standard required will be at the absolute discretion of the adjudicator but will include:

- A demonstration of adequate preparation
- An authority of performance
- A performance with a level of expertise commensurate with a national final competition.

HIGHLAND & NATIONAL DANCING

* A professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes “primary employment” and therefore is not seen as a Professional. For the Student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way only of an occasional bonus or benefit rather than their principal means of earning a livelihood. The exception to this is a participating teacher who may perform.

** As some Societies split their dance genres and run large Competitions with different Judges and/or at different times of the year, they will be able to nominate more than one group to represent their Society.

** If a Society has 30 or more entries in the Troupe/Group Nomination section, then they are entitled to offer a second Nomination.
