- * A professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes “primary employment” and therefore is not seen as a Professional. For the Student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way only of an occasional bonus or benefit rather than their principal means of earning a livelihood. The exception to this is a participating teacher who may perform.
- ** As some Societies split their dance genres and run large Competitions with different Judges and/or at different times of the year, they will be able to nominate more than one Troupe to represent their Society.
- ** If a Society has 25 or more Troupes that enter and compete for a Troupe Nomination, then they are entitled to offer an additional Nomination. This applies to every multiple of 25 Troupes that enter and compete for a Troupe Nomination. Therefore –
 - 1-24 Troupes = 1 Nomination
 - 25 Troupes = 1 additional Nomination
 - 50 Troupes = 2 additional Nominations
 - 75 Troupes = 3 additional Nominations

- * A professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes “primary employment” and therefore is not seen as a Professional. For the Student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way only of an occasional bonus or benefit rather than their principal means of earning a livelihood. The exception to this is a participating teacher who may perform.
- ** As some Societies split their dance genres and run large Competitions with different Judges and/or at different times of the year, they will be able to nominate more than one Troupe to represent their Society.
- ** If a Society has 25 or more Troupes that enter and compete for a Troupe Nomination, then they are entitled to offer an additional Nomination. This applies to every multiple of 25 Troupes that enter and compete for a Troupe Nomination. Therefore –

1-24 Troupes	=	1 Nomination
25 Troupes	=	1 additional Nomination
50 Troupes	=	2 additional Nominations
75 Troupes	=	3 additional Nominations
